

MEMBERSHIP APPLICATION

MGMGMG (aka MG₃) was organized over twenty-five years ago by people who owned or enjoyed MG "T" series automobiles. Our membership has grown to include owners of all models of the MG marque as well as other fine British motorcars, along with members whose enthusiasm for these cars outweighs their lack of ownership. Our main purpose is the enjoyment, restoration, and perpetuation of the MG marque. As a member you will receive our monthly newsletter The Exhaust. This will keep you abreast of the club's upcoming event schedule and recent activities. Year-round activities are varied and can include driving events such as tours, rallyes, convoys to distant meets; educational programs such as technical sessions, tours of technical facilities, and guest speakers; social events including the annual business and dinner meeting, custard runs, and picnics; and car gatherings such as our joint sponsorship (in partnership with the Austin-Healey, Triumph, Jaguar, and other British Car Clubs) of "British Car Field Day" every June in Sussex, WI. However, the single most important membership benefit that we offer is fellowship with other MG enthusiasts.

We invite you to join
